No apologies please. You are just busy. Dedication is a good quality.

Talk to you later.

Annie

And I'm sorry I missed the lab numbers.....

Thank you for your help, so much!

Hi,

(You requested Lab # [REDACTED] but a predominant part of the case also

included Lab # [REDACTED] So, the entire discovery packet includes Lab#
[REDACTED] Also, this is a very large pdf file, let me know if you have
trouble opening it.)

Please see attachment for the discovery packet.

Let me know if you need anything else pertaining to this case.

Thanks.

Annie
